DOTS, FUNGUS, CRYSTALS & MOONLIGHT**

**DOTS, FUNGUS, CRYSTALS & MOONLIGHT  
by TAISUKE KOYAMA**

In summer of 2013, I have participated to the “Artist-in-Residence at the Soy Sauce Warehouse” project, a part of the 2013 Setouchi Triennale, on Shodoshima island, Japan. I have made four new series during this project and exhibited them in a hundred-year-old soy sauce warehouse. This self-published book is a final result of this project. It covers 19 plates of my new works and installation views. Special edition with an acrylic box framed small print is also available.
